This Stipulation of Settlement ("Stipulation"),¹ dated January 10, 2012, is entered into, by and through their respective undersigned counsel, among and between: (i) State Plaintiffs Karen Hall ("Hall"), Hongyi Yu ("Yu"), and Brian Wilson ("Wilson") and Federal Plaintiffs Jamie Rier ("Rier") and David McSherry, Sr. ("McSherry"), each individually and derivatively on behalf of China Green Agriculture, Inc. ("China Green" or the "Company"); (ii) Individual Defendants Tao Li ("Li"), Ken Ren ("Ren"), Yu Hao ("Hao"), Lianfu Liu ("Liu"), Yizhao Zhang ("Zhang"), Robert B. Fields ("Fields"), Barry L. Raeburn ("Raeburn"), and Ying Yang ("Yang") (collectively, the "Individual Defendants"); (iii) Federal Defendant Kabani & Company, Inc. ("Kabani"); and (iv) nominal defendant China Green (all defendants collectively referred to herein as "Defendants"). This Stipulation is intended by the Parties to fully, finally, and forever compromise, resolve, discharge, and settle the Released Claims and dismiss the Actions with prejudice, upon the terms and subject to the conditions set forth herein.

I. BACKGROUND OF THE ACTIONS AND SETTLEMENT NEGOTIATIONS

China Green is a Nevada corporation headquartered in the People's Republic of China that engages in the research, development, manufacturing, and distribution of humic acid based compound fertilizers and the development and production of agricultural products, such as top-grade fruits, vegetables, flowers, and colored seedlings. On December 10, 2010, plaintiff Hall filed the first shareholder derivative action on behalf of China Green in the First Judicial District Court of the State of Nevada in and for Carson City under the caption *Hall v. Li*, Case No. 10 0C 00563 IB. The complaint alleged, among other things, that the Individual Defendants breached their fiduciary duties of due care, loyalty, and good faith to the Company in connection with the Company's disclosures regarding aspects of the Company's financial operations and results.

On December 28, 2010, plaintiff Yu filed a related shareholder derivative action against the Individual Defendants in the Eighth Judicial District Court for the State of Nevada in and for Clark County under the caption *Yu v. Li*, Case No. A-10-632228-C.

¹ All capitalized terms are defined in Section IV.1 below, unless otherwise noted.

1 On January 5, 2011, Federal Plaintiffs filed a related action against the Individual
2 Defendants and Kabani in the U.S. District Court for the District of Columbia under the caption
3 *Rier v. Li*, Case No. 1:11-CV-00039.

4 On January 7, 2011, plaintiff Wilson filed a related action against the Individual
5 Defendants in the Eighth Judicial District Court for the State of Nevada in and for Clark County
6 under the caption *Wilson v. Li*, Case No. A-11-632848-C.

7 On February 24, 2011, the parties to the *Hall* action filed a stipulation to stay the case
8 pending mediation. On February 25, 2011, the Court entered an order temporarily staying the
9 *Hall* action pending mediation.

10 On March 10, 2011, by stipulation of the parties, the Federal Action was voluntarily
11 transferred to the U.S. District Court for the District of Nevada. The parties further agreed to
12 stay this action pending the outcome of their mediation efforts.

13 On April 12, 2011, counsel for the Company and the Individual Defendants provided a
14 pre-mediation presentation concerning the allegations in Plaintiffs' complaints. Given the related
15 nature of the *Hall*, *Yu*, and *Wilson* actions and the Federal Action, all Plaintiffs were invited to
16 participate in the pre-mediation presentation and the mediation. In addition, and subject to a
17 confidentiality agreement executed by Plaintiffs' counsel, the Company produced certain non-
18 public documents related to Plaintiffs' allegations to assist in the Parties' settlement efforts.

19 On April 15, 2011, Plaintiffs sent a settlement demand. Counsel for the Company and
20 the Individual Defendants responded on May 9, 2011.

21 On April 25, 2011, the Company filed motions to transfer the *Yu* and *Wilson* Actions
22 from the Eighth Judicial District Court for the State of Nevada in and for Clark County to the
23 First Judicial District Court of the State of Nevada in and for Carson City.

24 On May 12, 2011, the Parties engaged in a private, in-person mediation with JAMS
25 mediator Jed Melnick, Esq., at the office of Sidley Austin LLP in Washington, D.C. At the
26 mediation session, the Parties made substantial progress in reaching an agreement to settle the
27 Actions, however no formal agreement was reached, and the Parties agreed to continue
28 negotiations.

1 Pursuant to the agreement to continue the settlement negotiations reached at the May 12,
2 2011 mediation, the Parties and their respective counsel engaged in numerous additional
3 negotiations concerning the corporate governance reforms that China Green would adopt as part
4 of the Settlement. In connection with these negotiations, Plaintiffs' Counsel undertook a
5 comprehensive analysis of the corporate governance practices at China Green and proposed
6 numerous reforms to the Company's corporate governance practices. Over the ensuing months,
7 the Parties and their respective counsel spent significant work preparing, reviewing, negotiating,
8 and ultimately agreeing upon the corporate governance reforms set forth in Exhibit A attached
9 hereto.

10 On May 31, 2011, the *Yu* and *Wilson* actions were transferred to the First Judicial District
11 Court of the State of Nevada in and for Carson City.

12 On June 7, 2011, and July 6, 2011, the parties to the State Action filed stipulations to
13 extend the pending stay in light of their ongoing settlement negotiations. The Court granted both
14 stipulations to extend the stay.

15 On July 19, 2011, counsel for the parties to the *Hall*, *Yu*, and *Wilson* actions executed and
16 filed a stipulation to consolidate the actions and appoint lead counsel. On July 21, 2011, the
17 Court entered an order consolidating the actions under the caption *In re China Green*
18 *Agriculture, Inc. Derivative Shareholder Litigation*, Lead Case No. 10 OC 00563 1B, appointing
19 Robbins Umeda LLP and the Weiser Law Firm, P.C. as Plaintiffs' Co-Lead Counsel, and
20 appointing the O'Mara Law Firm, P.C. as Plaintiffs' Liaison Counsel.

21 On August 19, 2011, the parties to the State Action filed a stipulation to extend the
22 pending stay in light of their ongoing settlement negotiations. On September 16, 2011, the Court
23 entered an order extending the stay.

24 In late September 2011, after months of arm's-length negotiations, the parties reached an
25 agreement in principle to settle these derivative cases.

II. PLAINTIFFS' COUNSEL'S INVESTIGATION AND RESEARCH, PLAINTIFFS' CLAIMS, AND THE BENEFITS OF SETTLEMENT

Plaintiffs' Counsel conducted an extensive investigation relating to the claims and the underlying events alleged in the Action including, but not limited to: (1) inspecting, analyzing, and reviewing China Green's public filings with the U.S. Securities and Exchange Commission ("SEC"), press releases, announcements, transcripts of investor conference calls, and news articles; (2) drafting and filing the various complaints in the Actions; (3) preparing a mediation brief and participating in a mediation; (4) researching the applicable law with respect to the claims asserted in the Actions and the potential defenses thereto; (5) researching corporate governance issues; (6) attending an in person meeting with Defendants' Counsel to discuss the merits of the Actions; and (7) participating in extensive settlement discussions with counsel for the Defendants. As a result of this investigation, Plaintiffs believe the Actions have substantial merit.

Nonetheless, Plaintiffs and Plaintiffs' Counsel recognize and acknowledge the significant risk, expense, and length of continued proceedings necessary to prosecute the Actions against the Individual Defendants and Kabani through trial and through possible appeals. Plaintiffs' Counsel also have taken into account the uncertain outcome and the risk of any litigation, especially in complex cases such as the Actions, as well as the difficulties and delays inherent in such litigation. Plaintiffs' Counsel also are mindful of the inherent problems of proof and possible defenses to the claims alleged in such actions. Plaintiffs' Counsel have conducted a thorough review and analysis of the relevant facts, allegations, defenses, and controlling legal principles, and believe that the Settlement set forth in this Stipulation is fair, reasonable, and adequate, and confers substantial benefits upon China Green and its shareholders. Based upon Plaintiffs' Counsel's evaluation, Plaintiffs have determined that the Settlement is in the best interests of China Green and have agreed to settle the Actions upon the terms and subject to the conditions set forth herein.

III. THE INDIVIDUAL DEFENDANTS' AND KABANI'S DENIALS OF WRONGDOING AND LIABILITY

The Individual Defendants have denied and continue to deny they have committed, threatened, or attempted to commit, any violations of law or breached any duty owed to Plaintiffs, China Green, or its shareholders. Without admitting the validity of any allegations made in the Actions, or any liability with respect thereto, the Individual Defendants have concluded that it is desirable that the claims against them be settled on the terms reflected in this Stipulation. The Individual Defendants and China Green are entering into this Settlement because it will eliminate the uncertainty, distraction, disruption, burden, risk, and expense of further litigation. Further, the Individual Defendants and China Green acknowledge that the Settlement is fair, reasonable, adequate, and in the best interests of China Green and its shareholders. The Individual Defendants and China Green also acknowledge and agree that the corporate governance measures to be implemented directly as a result of the Settlement are significant and extensive and confer substantial benefits upon China Green and its shareholders by further improving the corporate governance, internal controls, and disclosure procedures at the Company. Kabani also denied and continues to deny any wrongdoing, negligence, error, or omission on its part related to the auditing or accounting services provided to China Green.

Neither this Stipulation, nor any of its terms or provisions, nor entry of the Judgment, nor any document or exhibit referred or attached to this Stipulation, nor any action taken to carry out this Stipulation, is, may be construed as, or may be used as evidence of the validity of any of the Released Claims or an admission by or against the Company, the Individual Defendants, or Kabani of any fault, wrongdoing, or concession of liability whatsoever.

IV. TERMS OF STIPULATION AND AGREEMENT OF SETTLEMENT

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiffs (on behalf of themselves and derivatively on behalf of China Green), the Individual Defendants, Kabani, and China Green, each by and through their respective counsel, that, subject to Court approval, the Released Claims shall be finally and fully compromised, settled, and

3 Preliminary Approval Order, substantially in the form of Exhibit B attached hereto, requesting:
4 (i) preliminary approval of the Settlement as set forth in this Stipulation; (ii) approval of the form
5 and manner of providing notice of the Settlement to Current China Green Shareholders; and (iii)
6 a date for the Settlement Hearing.

7 3.2 Notice to Current China Green Shareholders shall consist of the Summary Notice
8 of Pendency and Proposed Settlement of Shareholder Derivative Actions ("Summary Notice"),
9 substantially in the form attached hereto as Exhibit C, and the Notice of Pendency and Proposed
10 Settlement of Shareholder Derivative Actions ("Notice"), substantially in the form attached
11 hereto as Exhibit D. The Parties believe the content and manner of the notices requested
12 constitute adequate and reasonable notice to Current China Green Shareholders pursuant to
13 applicable law and due process.

14 3.3 Within ten calendar days after the entry of the Preliminary Approval Order, China
15 Green shall publish the Summary Notice once in *Investor's Business Daily*. China Green and its
16 insurers shall be responsible for the costs associated with publishing the Summary Notice.

17 3.4 Within ten calendar days after the entry of the Preliminary Approval Order, China
18 Green shall post copies of the Notice and this Stipulation on its company website and cause a
19 copy of the Notice to be filed with the SEC via a Form 8-K.

20 3.5 Within ten calendar days after the entry of the Preliminary Approval Order,
21 Robbins Umeda LLP shall post copies of the Notice and this Stipulation on its firm website.

22 3.6 Pending the Court's determination as to final approval of the Settlement, Plaintiffs
23 and Current China Green Shareholders are barred and enjoined from commencing, prosecuting,
24 instigating, or in any way participating in the commencement or prosecution of any action
25 asserting any Released Claim against any of the Released Persons.

26 3.7 Within five calendar days after entry by the Court of the Judgment approving the
27 Settlement, the Federal Plaintiffs shall file a voluntary dismissal in the Federal Action,
28 dismissing the Federal Action with prejudice, and shall use their reasonable best efforts to take,

1 or cause to be taken, all actions, and to do, or cause to be done, all things, reasonably necessary,
 2 proper, or advisable under applicable laws, regulations, and agreements to secure such dismissal
 3 with prejudice.

4 **4. Releases**

5 4.1 Upon the Effective Date, Plaintiffs, China Green, and Current China Green
 6 Shareholders shall be deemed to have, and by operation of the Judgment shall have, fully,
 7 finally, and forever settled, released, discharged, extinguished, and dismissed with prejudice the
 8 Released Claims against the Released Persons; provided, however, that such release shall not
 9 affect any claims to enforce the terms of this Stipulation or the Settlement.

10 4.2 Upon the Effective Date, each of the Released Persons shall be deemed to have,
 11 and by operation of the Judgment shall have, fully, finally, and forever settled, released,
 12 discharged, extinguished, and dismissed with prejudice the Defendants' Released Claims against
 13 Plaintiffs and Plaintiffs' Counsel; provided, however, that such release shall not affect any claims
 14 to enforce the terms of this Stipulation or the Settlement.

15 4.3 Upon the Effective Date, Kabani shall be deemed to have, and by operation of the
 16 Judgment shall have, fully, finally, and forever settled, released, discharged, and extinguished
 17 any and all claims against China Green, the Individual Defendants, and their Related Persons,
 18 including but not limited to claims for indemnification, contribution or breach of contract, except
 19 this does not include any outstanding fees for prior audit work; provided, however, that such
 20 release shall not affect any claims to enforce the terms of this Stipulation or the Settlement. This
 21 release includes Unknown Claims under section 1542 of the California Civil Code or any other
 22 law of the United States or any state or territory of the United States, or principle of common
 23 law, which is similar, comparable, or equivalent to Section 1542, which provides:

24 **A general release does not extend to claims which the creditor does not know**
 25 **or suspect to exist in his or her favor at the time of executing the release,**
 26 **which if known by him or her must have materially affected his or her**
settlement with the debtor.

27 **5. Attorneys' Fees and Expenses**

28 5.1 In recognition of the substantial benefits conferred upon China Green as a direct
 result of the prosecution and Settlement of the Actions, and subject to Court approval, China

Green and Kabani shall cause their insurers to pay Plaintiffs' attorneys' fees and expenses in the amount of \$650,000 (the "Fee Amount"), with China Green's insurers contributing \$525,000 and Kabani's insurer contributing \$125,000 to the Settlement. The Fee Amount was negotiated after the Parties had substantially negotiated the material terms of the Settlement.

5.2 The Fee Amount shall be paid to Robbins Umeda LLP, as receiving agent for all of Plaintiffs' Counsel, within ten business days after the Court enters an order preliminarily approving the Settlement, subject to Plaintiffs' Counsel's obligation to refund that amount if it is reversed or modified on appeal. Settlement Counsel shall be responsible for allocation of the Fee Amount to Plaintiffs' Counsel based upon each counsel's contribution to the institution, prosecution, and resolution of the Actions, and no allocation shall be made absent the unanimous agreement of Settlement Counsel. Except as otherwise provided herein, each of the Parties shall bear his, her, or its own fees and costs.

6. Conditions of Settlement, Effect of Disapproval, Cancellation, or Termination

6.1 The Settlement shall be conditioned on the occurrence of all of the following events:

- (a) Court approval of the Settlement following notice to Current China Green Shareholders and the Settlement Hearing;
- (b) entry of the Judgment in the State Action;
- (c) dismissal of the Federal Action with prejudice;
- (d) payment to Plaintiffs' Counsel of attorneys' fees and expenses as approved by the Court; and
- (e) the Judgment has become Final.

6.2 If any of the conditions listed in paragraph 6.1 are not met, this Stipulation and any Settlement documentation shall be null and void and of no force and effect, unless Plaintiffs' Co-Lead Counsel and Defendants' Counsel mutually agree in writing to proceed with this Stipulation. In the event that any of the conditions listed in paragraph 6.1 are not met, the Parties shall be restored to their positions on the date immediately prior to the execution date of this Stipulation, and this Stipulation shall not be deemed to constitute an admission of fact by any

1 Party, and neither the existence of this Stipulation, nor its contents shall be admissible in
2 evidence or be referred to for any purposes in the Actions or in any litigation or judicial
3 proceeding.

4 **7. Bankruptcy**

5 7.1 In the event of any proceedings by or on behalf of China Green, whether
6 voluntary or involuntary, initiated under any chapter of the U.S. Bankruptcy Code, including any
7 act of receivership, asset seizure, or similar federal or state law action ("Bankruptcy
8 Proceedings"), the Parties agree to use their reasonable best efforts to obtain all necessary orders,
9 consents, releases, and approvals for effectuation of this Stipulation in a timely and expeditious
10 manner. By way of example only, the Parties agree to cooperate in making applications and
11 motions to the bankruptcy court for relief from any stay, approval of the Settlement, authority to
12 release funds, authority for China Green's insurers to disburse insurance proceeds consistent with
13 this Stipulation, authority to release claims and indemnify officers and directors, and authority
14 for the Court to enter all necessary orders and judgments, and any other actions reasonably
15 necessary to effectuate the terms of this Stipulation.

16 7.2 If any Bankruptcy Proceedings on behalf of China Green are initiated prior to the
17 payment of the Fee Amount, the Parties agree to seek an order from the bankruptcy court
18 presiding over such Bankruptcy Proceedings: (i) either lifting the automatic stay for limited
19 purposes of authorizing such payment, or finding that the payment of the Fee Amount on behalf
20 of the Individual Defendants by their insurer or insurers under their respective policies or related
21 compromise of coverage and the releases provided pursuant to this Stipulation does not violate
22 the automatic stay; and (ii) finding that the payment of the Fee Amount on behalf of the
23 Individual Defendants by their insurer or insurers under their respective policies does not
24 constitute a preference, voidable transfer, fraudulent transfer, or similar transaction. In addition,
25 in the event of any Bankruptcy Proceedings by or on behalf of China Green, the Parties agree
26 that all dates and deadlines set forth herein will be extended for such periods of time as are
27 necessary to obtain necessary orders, consents, releases, and approvals from the bankruptcy court
28 to carry out the terms and conditions of this Stipulation.

8. Miscellaneous Provisions

1 8.1 The Parties: (i) acknowledge that it is their intent to consummate this Stipulation;
2 and (ii) agree to cooperate to the extent reasonably necessary to effectuate and implement all
3 terms and conditions of this Stipulation and to exercise their best efforts to accomplish the
4 foregoing terms and conditions of this Stipulation.

5 8.2 In the event that any part of the Settlement is found to be unlawful, void,
6 unconscionable, or against public policy by a court of competent jurisdiction, any Party shall
7 have the option to withdraw from the Settlement.

8 8.3 The Parties agree that terms of the Settlement were negotiated in good faith by the
9 Parties, and reflect a Settlement that was reached voluntarily after consultation with competent
10 legal counsel. In addition, the Parties agree that during the course of the Actions the Parties and
11 their respective counsel at all times acted professionally and in compliance with Rule 11 of the
12 Nevada Rules of Civil Procedure ("Rule 11") and any other court rule or statute with respect to
13 any claims or defenses in the Actions. Accordingly, the Judgment in the Actions will contain a
14 finding that during the course of the litigation, the Parties and their respective counsel at all times
15 complied with the requirements of Rule 11 and any other court rule or statute with respect to any
16 claims or defenses in the Actions. The Parties reserve their right to rebut, in a manner that such
17 party determines to be appropriate, any contention made in any public forum that the Actions
18 was brought or defended in bad faith or without a reasonable basis.

19 8.4 The existence of or the provisions contained in this Stipulation shall not be
20 deemed to prejudice in any way the respective positions of the Parties with respect to the
21 Actions, shall not be deemed a presumption, a concession, or admission by any of the Parties of
22 any fault, liability, or wrongdoing as to any facts, claims, or defenses that have been or might
23 have been alleged or asserted in the Actions or with respect to any of the claims settled in the
24 Actions, or any other action or proceeding, and shall not be interpreted, construed, deemed,
25 invoked, offered, or received in evidence or otherwise used by any person in the Actions, or in
26 any other action or proceeding, except for any litigation or judicial proceeding arising out of or
27 relating to this Stipulation or the Settlement whether civil, criminal, or administrative, for any
28 purpose other than as provided expressly herein.

1 8.5 The exhibits to this Stipulation are material and integral parts hereof and are fully
2 incorporated herein by this reference. This Stipulation and the exhibits attached hereto represent
3 the complete and final resolution of all disputes between the Parties with respect to the Actions,
4 constitute the entire agreement among the Parties, and supersede any and all prior negotiations,
5 discussions, agreements, or undertakings, whether oral or written, with respect to such matters.

6 8.6 This Stipulation may be modified or amended only by a writing signed by the
7 signatories hereto.

8 8.7 This Stipulation shall be deemed drafted equally by all Parties hereto.

9 8.8 This Stipulation and the Settlement contemplated by it shall be governed by, and
10 construed in accordance with, the laws of the State of Nevada, without regard to Nevada's
11 conflict of law rules.

12 8.9 No representations, warranties, or inducements have been made to any of the
13 Parties concerning this Stipulation or its exhibits other than the representations, warranties, and
14 covenants contained and memorialized in such documents.

15 8.10 Each counsel or other Person executing this Stipulation or its exhibits on behalf of
16 any of the Parties hereby warrants that such Person has the full authority to do so.

17 8.11 This Stipulation shall be binding upon and inure to the benefit of the Parties and
18 their respective agents, executors, heirs, successors, and assigns.

19 8.12 This Stipulation may be executed in counterparts by the signatories hereto,
20 including by facsimile, and as so executed shall constitute one agreement.

21 8.13 All proceedings in the Actions shall be stayed, except as provided in this
22 Stipulation. Other than seeking approval of the Settlement or as permitted herein or as may be
23 expressly required by the Court, Plaintiffs and Plaintiffs' Counsel agree that Plaintiffs will not
24 take any action, take any discovery, or make any filings in the Actions other than those
25 contemplated by this Stipulation.

26 8.14 The Court shall retain jurisdiction with respect to implementation and
27 enforcement of the terms of this Stipulation, and the Parties submit to the jurisdiction of the
28 Court for purposes of implementing and enforcing the Settlement embodied in this Stipulation.

1 IN WITNESS WHEREOF, the Parties hereto have caused this Stipulation to be executed,
2 by their duly authorized attorneys, dated this ____ day of _____, 2012.

EXHIBIT A

CORPORATE GOVERNANCE TERM SHEET

Subject to court approval of the settlement, the Board of Directors ("Board") of China Green Agriculture, Inc. ("CGA" or the "Company") has authorized the Company to adopt the following Corporate Governance Reforms. The Company further commits that these Corporate Governance Reforms will be maintained for five years, except where the time frame is expressly provided for herein, or except where further changes are necessary to reflect changes in the law, regulations, exchange listing requirements, or business needs of the Company.

I. INDEPENDENT CONSULTANT ON CORPORATE GOVERNANCE

- The Company has engaged Ernst & Young ("E&Y") from November 2010 to November 2011 regarding the Sarbanes-Oxley Act of 2002 ("SOX"), section 404 compliance. If necessary and appropriate, the Company will extend the engagement with E&Y (or retain another appropriate SOX compliance consultant) until the completion of the project.
- The Company will either extend the E&Y engagement or will contract with another appropriate compliance consultant to assist CGA in implementing additional processes and procedures so as to be in compliance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, when the Dodd-Frank rule-making process is completed.

II. BOARD OF DIRECTORS

- New Board Seats. The Company will agree to use best efforts to locate and appoint another independent director, who qualifies under the NYSE rules of financial literacy and accounting or related financial management expertise so as to serve on the Audit Committee within the next year.
- Committees. Any director may only be the Chair of one standing committee (Audit, Compensation, or Nominating), except in exigent circumstances.
- Self-Evaluation. The Board will annually conduct a self-evaluation, which shall include each Board member's individual participation in responding to a confidential questionnaire which shall be sent to outside counsel for review and discussion. The questionnaire shall contain the following topics, among others: (i) the Board's role (corporate strategy, budgets, core operations, shareholder value); (ii) the Board & Committee's Structure (size, independence, compensation); the Board's Relationship with Management (communication, support and challenging); and the

Board's Information, Training, and Resources (expertise and time, materials and dialog at meetings).

- Training. The Company agrees to provide an internal training, by its outside counsel or consultants, regarding issues of director responsibilities and director duties. This training will be held within twelve months of court approval of this settlement agreement and adjacent to a Board meeting. The Company further agrees to provide an internal refresher course to directors once every two years thereafter.

III. AUDITING AND ACCOUNTING PROCEDURES

- The Company shall agree that as a result of derivative lawsuits, the Company has engaged an independent CPA firm, Pickard & Green, to evaluate and implement improvements on the Company's systems on U.S. Securities and Exchange Commission ("SEC") reporting for 2011, and if necessary and appropriate, will extend the engagement for an additional year.
- The Company shall agree that as a result of the derivative lawsuits and the engagement of Pickard & Green, the Company has improved the following: reporting protocol; archiving of documents; financial consolidation process and procedures; and training of personnel in connection with quarterly financial rollup, reporting, and disclosure.
- The Company shall agree that as a result of the derivative lawsuits, the Company has implemented a Disclosure Task Force to review SEC filings. The Disclosure Task Force will become a Disclosure Committee, which shall be comprised of the individuals in the following positions: Controller, Finance Director, CFO, Board Secretary, and IR officer. In addition to these members, the CEO shall be an advisory member of the Disclosure Committee, to provide input and to be consulted with as appropriate. The Disclosure Committee, or its representative, shall meet with the Audit Committee on an annual basis in preparation of the Company's filing of its form 10-K with the SEC.
- The Company shall create a position for an additional China-based individual in the Finance Department to assist in the preparation of SEC filings and GAAP requirements.
- The Company shall provide periodic training to those on the finance team and other relevant personnel with responsibility for U.S. GAAP accounting and financial reporting.
- The Company shall amend its Audit Committee Charter to include the following provision:

The Audit Committee shall regularly report to the Board any issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditors, and the performance of the internal audit function.

IV. PRESERVATION OF DOCUMENTS

- The Company agrees to maintain all documents filed with United States and the People's Republic of China government agencies, including the supporting documents for these submissions, for either seven years from the submission to the relevant government agency or the period as required by the applicable agency for such documents, whichever is longer.

V. MATTERS RELATING TO INDEPENDENT AUDITORS

- The Company agrees to use its best efforts to retain either a "Big 4" audit firm or a large international audit firm for its next fiscal year (July 1, 2011 – June 30, 2012).

VI. WHISTLE-BLOWER HOTLINE

- The Company shall continue to maintain a complaint box and a whistleblower hotline and email address. The complaint box shall be maintained at the Company's headquarters. The contact information for the whistleblower hotline and email address shall continue to be provided in the Employee Handbook, and additionally, the Company further agrees to post it conspicuously at the Company, such as in break rooms or other appropriate employee gathering locations. In addition, the Company agrees to post the whistleblower hotline and email address on its website. Employees may use this communication channel to report concerns relating to ethical business or personal conduct, integrity, and professionalism. This reporting system, however, shall not replace the other methods employees have traditionally used to communicate with China Green.

1 NOW, THEREFORE, UPON GOOD CAUSE SHOWN, IT IS HEREBY ORDERED as
2 follows:

3 1. The Court does hereby preliminarily approve the Settlement as set forth in
4 Stipulation, subject to further consideration at the Settlement Hearing described below.

5 2. Pending the Court's determination as to final approval of the Settlement, Plaintiffs
6 and all Current China Green Shareholders are barred and enjoined from commencing,
7 prosecuting, instigating, or in any way participating in the commencement or prosecution of any
8 action asserting any Released Claim against any of the Released Persons.

9 3. The Settlement Hearing shall be held before this Court on _____,

13 reasonable, and adequate to China Green and should be approved by the Court; (ii) whether the
14 State Action should be dismissed with prejudice; and (iii) whether the Court should approve the
15 Fee Amount. The Court may adjourn the Settlement Hearing without further notice to Current
16 China Green Shareholders.

17 4. The Court approves, as to form and content, the Summary Notice of Pendency
18 and Proposed Settlement of Shareholder Derivative Actions ("Summary Notice") and the Notice
19 of Pendency and Proposed Settlement of Shareholder Derivative Actions ("Notice") and finds
20 that the provisions of the Summary Notice and Notice, substantially in the manner and form set

22 process, and provide the best notice practicable under the circumstances, and shall constitute due
23 and sufficient notice to all Persons entitled thereto. Non-material changes to the form of Notice

8 with respect to filing publishing and posting of the Summary Notice and Notice.

9 9. Any Current China Green Shareholder may object and/or appear and show cause,
10 if he, she, or it has any concern, why the Settlement should not be finally approved as fair,
11 reasonable, and adequate, or why the Judgment should not be entered thereon, or why the Fee
12 Amount should not be finally approved, provided, however, unless otherwise ordered by the
13 Court, no Current China Green Shareholder shall be heard or entitled to contest the approval of
14 the terms and conditions of the Settlement, or, if approved, the Judgment to be entered thereon

25 **YOU ARE HEREBY NOTIFIED**, pursuant to an order of the First Judicial District Court
26 of the State of Nevada in and for Carson City (the "Court"), that a proposed Settlement has been
27 reached between the Parties¹ to the following shareholder derivative actions brought on behalf of
28 China Green: (i) *In re China Green Agriculture, Inc. Shareholder Derivative Litigation*, Lead Case
No. 10 OC 00563 1B ("State Action"); and (ii) *Rier v. Li*, Case No. 1:11-CV-00039, pending the
U.S. District Court for the District of Nevada ("Federal Action") (collectively, the "Actions").

¹ For purposes of this Notice, the Court incorporates by reference the definitions in the Parties' Stipulation of Settlement ("Stipulation") fully executed as of January 10, 2012, and all capitalized terms used herein, unless otherwise defined, shall have the same meanings as set forth in the Stipulation. A copy of the Stipulation may be inspected at the Clerk of the Court's Office for the First Judicial District Court for the State of Nevada in and for Carson City, 885 East Musser Street, Suite 3031, Carson City, Nevada 89701. The Stipulation is also available for viewing on the websites of Robbins Umeda LLP at <http://www.robbinsumeda.com/notices.html> and China Green at <http://www.cgagri.com>.

1 As explained below, the Court will hold a Settlement Hearing on _____, 2012 at
2 ____:____m., before the Honorable James T. Russell, located at 885 East Musser Street, Suite 3031,
3 Carson City, Nevada 89701, to determine whether to approve the Settlement. You have the right
4 to object to the Settlement in the manner provided herein. If you fail to object in the manner
5 provided herein *at least fourteen calendar days prior to the Settlement Hearing*, you will be
6 deemed to have waived your objections and will be bound by the Final Order and Judgment to be
7 entered and the releases to be given, unless otherwise ordered by the Court.

8 This Notice is not intended to be an expression of any opinion by the Court with respect to the
9 merits of the claims made in the Actions, but is merely to advise you of the pendency and Settlement
10 of the Actions.

11 **I. THE ACTIONS**

12 The Actions are brought by Plaintiffs solely on behalf of and for the benefit of China Green
13 and against the Individual Defendants and Kabani & Company, Inc., the Company's auditor.
14 Plaintiffs generally allege, among other things, that the Individual Defendants breached their
15 fiduciary duties of due care, loyalty, and good faith to the Company in connection with certain
16 alleged improper statements regarding aspects of the Company's financial operations and results,
17 which raised significant concerns about the Company's future business prospects.

18 **II. TERMS OF THE SETTLEMENT**

19 The terms and conditions of the proposed Settlement are set forth in the Stipulation
20 described above. The following is only a summary of its terms.

21 In consideration for the Settlement, China Green has agreed to adopt significant Corporate
22 Governance Reforms designed to strengthen the Company's internal controls. China Green and
23 the Individual Defendants acknowledge and agree that the filing, prosecution, and Settlement of
24 the Actions were a substantial material factor behind the Company's decision to implement these
25 corporate governance measures. China Green and the Individual Defendants further acknowledge
26 and agree that the corporate governance measures are significant and extensive and confer
27 substantial benefits upon China Green and its shareholders by, among other things, helping to
28 improve the corporate governance, internal controls, and disclosure procedures at the Company.

1 For example, the Corporate Governance Reforms set forth policies and procedures that are
2 designed to strengthen, among other things, the Company's internal controls concerning its public
3 disclosures. In particular, as a result of the Actions, the Company has implemented a Disclosure
4 Task Force to review U.S. Securities and Exchange Commission (the "SEC") filings. In addition,
5 the Company has engaged an independent CPA firm, Pickard & Green, to evaluate and implement
6 improvements on the Company's systems on SEC reporting for 2011, and if necessary and
7 appropriate, will extend the engagement for an additional year. Further, as a result of the Actions
8 and the engagement of Pickard & Green, China Green will improve its reporting protocols,
9 archiving of documents, financial consolidation process and procedures, and training of personnel
10 in connection with quarterly financial rollup, reporting, and disclosure. The reforms also require
11 that the Company adopt certain policies designed to ensure that China Green's directors stay
12 abreast of developments in legal standards related to corporate governance, disclosure obligations,
13 and industry specific issues.

14 China Green's Board of Directors has approved the Corporate Governance Reforms and,
15 subject to the Court's approval of the settlement, to cause the Company to adopt and to maintain
16 such reforms for a period of not less than five years from the date the respective Corporate
17 Governance Reforms are adopted.

18 This Notice provides a summary of some, but not all, of the Corporate Governance
19 Reforms that China Green has agreed to adopt as consideration for the Settlement. For a list of all
20 of the Corporate Governance Reforms, please see Exhibit A attached to the Stipulation.

21 **III. DISMISSAL AND RELEASES**

22 The Settlement is conditioned, among other things, upon: (i) entry of an order by the Court
23 approving the Settlement and dismissing the State Action with prejudice; and (ii) entry of an order
24 by the U.S. District Court for the District of Nevada dismissing the Federal Action with prejudice.
25 The Settlement will not become effective until such dismissals have been entered and have
26 become final and non-appealable (the "Effective Date").

27 Upon the Effective Date, China Green, Plaintiffs, and Current China Green Shareholders
28 shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever

1 released, relinquished, and discharged all claims, debts, demands, rights, or causes of action or
2 liabilities, including Unknown Claims, existing derivatively on behalf of China Green against the
3 Defendants and each of their respective past or present subsidiaries, parents, successors and
4 predecessors, insurers, officers, directors, agents, employees, attorneys, advisors, investment
5 advisors, auditors, accountants, and any firm, trust, corporation, officer, director, or other
6 individual or entity in which any Individual Defendant, China Green, or Kabani has a controlling
7 interest, and the legal representatives, heirs, successors in interest, or assigns of any Defendant (the
8 "Released Persons"), that have been asserted or could have been asserted by China Green or by
9 China Green's shareholders suing derivatively on behalf of China Green against the Released
10 Persons: (i) in the Actions;; (ii) based on or related to the facts, transactions, events, occurrences,
11 acts, disclosures, statements, omissions or failures to act relating to the Company's disclosures at
12 issue in the Actions, including all matters alleged in any of the complaints filed in the Actions, and
13 that could have been alleged in the complaints up to and including the date of this Stipulation, and
14 or (iii) the Settlement, except for any claims to enforce the terms of the Settlement (the "Released
15 Claims").

16 Further, upon the Effective Date, each of the Released Persons shall be deemed to have,
17 and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and
18 discharged any and all claims, debts, rights, or causes of action or liabilities, including Unknown
19 Claims, that could be asserted in any forum by the Released Persons or their successors and
20 assigns or their subrogates, against Plaintiffs and Plaintiffs' Counsel that arise out of or relate in
21 any way to the institution, prosecution, or settlement of the Actions (except for any claims to
22 enforce the Settlement). Further, upon the Effective date, Kabani shall be deemed to have, and by
23 operation of the Judgment shall have, fully, finally, and forever settled, released, discharged, and
24 extinguished any and all claims, including Unknown Claims, against China Green, the Individual
25 Defendants, and their Related Persons, including but not limited to claims for indemnification,
26 contribution, or breach of contract, except this does not include any outstanding fees for prior audit
27 work; provided, however, that such release shall not affect any claims to enforce the terms of this
28 Stipulation or the Settlement.

1 **IV. PLAINTIFFS' CLAIMS AND THE BENEFITS OF SETTLEMENT**

2 Plaintiffs believe the Actions have substantial merit. Nonetheless, Plaintiffs and Plaintiffs'
3 Counsel recognize and acknowledge the significant risk, expense, and length of continued
4 proceedings necessary to prosecute the Actions against the Individual Defendants through trial and
5 possible appeals. Plaintiffs' Counsel also have taken into account the uncertain outcome and the
6 risks of any litigation, especially in complex cases such as the Actions, including the difficulties
7 and delays inherent in such litigation. Plaintiffs' Counsel also are mindful of the inherent problems
8 of proof and possible defenses to the claims alleged in such actions. Plaintiffs' Counsel have
9 conducted a thorough review and analysis of the relevant facts, allegations, defenses, and
10 controlling legal principles, and believe that the Settlement set forth in the Stipulation is fair,
11 reasonable, and adequate, and confers substantial benefits upon China Green and its shareholders.
12 Based upon Plaintiffs' Counsel's evaluation, Plaintiffs have determined that the Settlement is in the
13 best interests of China Green and have agreed to settle the Actions upon the terms and subject to
14 the conditions set forth in the Stipulation.

15 **V. DEFENDANTS' DENIALS OF WRONGDOING AND LIABILITY**

16 The Individual Defendants have denied and continue to deny they have committed,
17 threatened, or attempted to commit, any violations of law or breached any duty owed to Plaintiffs,
18 China Green, or its shareholders. Without admitting the validity of any allegations made in the
19 Actions, or any liability with respect thereto, the Individual Defendants have concluded that it is
20 desirable that the claims against them be settled on the terms reflected in the Stipulation. The
21 Individual Defendants and China Green are entering into this Settlement because it will eliminate
22 the uncertainty, distraction, disruption, burden, risk, and expense of further litigation. Further, the
23 Individual Defendants and China Green acknowledge that the Settlement is fair, reasonable,
24 adequate, and in the best interests of China Green and its shareholders. The Individual Defendants
25 and China Green also acknowledge and agree that the corporate governance measures to be
26 implemented directly as a result of the Settlement are significant and extensive and confer
27 substantial benefits upon China Green and its shareholders by further improving the corporate
28 governance, internal controls, and disclosure procedures at the Company. Kabani also denied and

1 continues to deny any wrongdoing, negligence, error, or omission on its part related to the auditing
2 or accounting services provided to China Green.

3 Neither the Stipulation, nor any of its terms or provisions, nor entry of the Judgment, nor
4 any document or exhibit referred or attached to the Stipulation, nor any action taken to carry out
5 the Stipulation, is, may be construed as, or may be used as evidence of the validity of any of the
6 Released Claims or an admission by or against China Green, the Individual Defendants, or Kabani
7 of any fault, wrongdoing, or concession of liability whatsoever.

8 **VI. PLAINTIFFS' ATTORNEYS' FEES AND EXPENSES**

9 After negotiating the substantive terms of the Settlement, and in recognition of the
10 substantial benefits conferred on China Green as a direct result of the prosecution and Settlement
11 of the actions, and subject to Court approval, the Settling Parties reached an agreement as to a fair
12 and reasonable sum to be paid for Plaintiffs' attorneys' fees and expenses. China Green and Kabani
13 shall pay, or cause to be paid, to Plaintiffs' Counsel the agreed-to-amount of \$650,000 for
14 attorneys' fees and expenses (the "Fee Amount"). Plaintiffs' Co-Lead Counsel shall request
15 approval by the Court of the Fee Amount at the Settlement Hearing. To date, Plaintiffs' Counsel
16 have neither received any payment for their services in conducting the Actions, nor have Plaintiffs'
17 Counsel been reimbursed for their out-of-pocket litigation expenses incurred. Plaintiffs' Co-Lead
18 Counsel believe that the Fee Amount is within the range of fees and expenses awarded to Plaintiffs'
19 Counsel under similar circumstances in litigation of this type.

20 **VII. THE SETTLEMENT HEARING AND YOUR RIGHT TO BE HEARD**

21 The Settlement Hearing will be held before the Honorable James T. Russell of the Court on

1 Court, no Current China Green Shareholder shall be heard or entitled to contest the approval of the
